Hopeless Hope

Amir Bashir Shera
Lecturer at IGNOU
S.P College, Srinagar

Epitaph (Rhythmic sound of bast slippers
Remains calm by grave-digger's
Summarise o! Reason the reality of life
Appraise this mystery from my strife)

Hopeful expectations of my will
Comes to me with my fulfill
All the time stop-less wait
Blog of things from my faith
First pleasure is ultimate one
Second is none other than...
Stop now perish of my life's feed
You better know me what i need
No pleasure of my own
Which I sacrifice for them thrown
No companion how i want
Even you knew of my battled sort
Let me ask you for my wing
Either I brought you already my thing
Thrilled, thrashed my miserable self
Living like a machine for other self
I m waiting now for my Lot
I know it you will me brought
