Consummation

Naveen Kumar Kottidi

Asst Prof
CBIT, Hyderabad,
Telangana State.

An unknown mighty force possessed me
Is that the magic of a wand or blonde?
Can that be the sorcery of a sweet witch? Or
Is it the wooing speech or vivacious speaker?

???.....???.....???.....

In the warmth of golden rays
Of the soothing words,
Spirit is flying atop
The mighty Mount Everest,

Joy knows no bounds
In thy opium-speech
Shivering lips, seeking the bless
Are chanting thy mantra,

Honey, where are you?
The source of this sorcerer's
Sickly sanctimonious sizzle
Of shapeless senseless, and
Shameless soothing sentences

Craving desire creeping cunningly
To savour the dreamy cosmic elixir
Like an ant vehemently voyaging
In the veiled voluptuous volcanic valleys

Of the valentine's vivacious vintage vistas
Ploughing through the darkest clouds
Fingers flying above fairy locks
Heading to the spectacular dunes

Titillating the rain-bowed curves
Bridging the Venus-Mars gaps
Blooming bosom's sensuous-scent

Sending sudden electric shocks
Luring the dormant mountains
Rise and fall, up and down
Mystery mining the mirth

Wild tsunamic volcanoes

Erupting ecstatic lavas
Rhapsody of organic vibes,
Rousing the tiny molecular hills
Rocking the fuming vitals

Verse flute on slouching silent planes
Real guitar is on a rhythmic gliding spirit
Oh! Tip to toe, creating unknown melodies!
