Liberty

Allabhya Ghosh

By seeing my penis Pakistani soldier did relies me pull on my back . I t was become like Muslim for infection from childhood . My sister was arrested not for Hindu or Muslim . She had did sacrifice on the hand of Mus... no she was raped by the Violator people ; was not cosmetics on her body; which can identify a Hindu . Full body was covered by the hood . But..... I had lost every thing , but ; I did not back foot for freedom fight of Bangladesh . A machine gun was always my friend in those time . By the Imam of Bangladesh peace committee was declared that “ We are the spy of India “.Who was the broker of my motherland Bangladesh ? They are living peacefully. We had did out . In a night like a thief I had left my country & did come in India . In Kolkata beside the drain we were lived in refugee camp like a street dog . The Spines of the border stamp has checked on my back . No work ,.... No home ,One relative had lived in the shyambazar . Phorid pur uncle of far relation . In a night of Vijaya dashami at Kolkata I had tried to win . I had decide to revenge . who was my enemy ? I didn't know ; do not also understand now . On the line of girls of sonagachi , a red light area ; I was asking the name of them?

-Sonali ...BijoliSamoli.....

-Sabina....Regina.....Fathema have anyone ?

Original name of all girls are changed in the red light area; like changing of country of the stupid fellow . one broker was understand Bengali ;I had been searching one Bangladeshi girl .

- have . newcomer , rate will be much .

- Name ?

- Aisa khatun .

One knife had Sharp for her . When I had did opened the clothes of the girl by closing the door like a fox. I did not seen her face . She was crying by covering her face into the hand . Much she had been crying ; my penis was dancing happily like a machine gun. I had opened the bra to bite her breast by teeth; like a dog . But I was surprised by a mole on her breast. Mercury of my thermometer was fall .In childhood when I did training swimming of my sister into the river ;so many time I had seen the mole on her body . I had told the girl like a rabies patient .

-Who are you ?

The girl was open her face from the hand .Her eyes was full of tear . she told me .

- I am good family girl from Chotogram . By a trap just has come here .

I did asked her name .

- Durga ; They do call me Aisha . I want to live a holy life .

- My sister also did want to live .But nobody did not condonation her . Life or death ; nothing is in our hand .

-Who are doing control? Religion? does any religion advice her people to become unholy ? Religion is made by the people for establishment of humanity . No any religion is bigger than human . Man made religion ; ..but religion never made human being . No God in the earth ? God means good people .

I were feeling laugh .

-The mother is sleeping under the panty of the red light girls with tiredness of fucking . Original God is Yahya Khan . Establishment power is the main king of the world.

The drum of the holy day , Vijaya dashami was playing . so many statues were doing immersion into the breast of the mother river Ganges . Here boating does not as our river Ichamati . Guard boats always do work for risqué in this time . Immersion of the Goddess Durga is very cruel in here ; by enjoying dance. Faith is very low . Everything is bad in Kolkata , I can not say . Kolkata is one of the chief living place in the India. I did established not a statue. A real woman The Durga was come in my house . We had did marriage by only twenty rupees from the temple of Kalighat.

Now my daughter is student of class nine. On the way of Bangladesh peace committee; here we have did organization of refuge welfare committee . By the way; the organization did help me ;& now I have a roof on my head . On the roof of my house ; my daughter does enjoying with her mobile phone like style of Bollywood heroine . For the guy of stupid neighbor She does try to entertain by the exhibition of her open breast shirt & hips tight jeans . Three x video is discovered from her book at the class seven .She is more mature than her age . No chance to pregnancy ; & rape is not likely. Rape is only occur ; when one side of interest do not available .

The history of our self I never did say my daughter . Which I have already saying ; that was very clean & polished . I do not know ; which fear did force me to shut my heart . So many time I think ; I am your father ; how do it can clear the relation with her . By hard journey ; I did come in India. This statement cannot help her to understand my struggle ? Yet I think . who never does drank nectar ; How she does know the taste of the manna? The nectar is not only a sweet , it have a holiness. Which we cannot know never . As this; the human heart have both side of sympathetic and selfishness . In painful heart ; soul is very conscious . Pain of lost country ; pain of lost relative ... into my daughter heart did not entry of any pain .. She has not seen war . She is do understand ; war meaning Hindi film " Border " . Partition meaning film " Refuge" ; & "Love story "is the ideology of love. In the so called Bollywood Hindi movie ; poor girl's breast is like a apple ; & hips are like a Indian classical music instrument Tanpura . I know ;The beauty is never do preserve in the hunger man or woman . She don't know very well about the reality . She is

living a artificial life by seen the star , soni, max tv show . Consumerism is selling always cheaper entertainment of sex to us . Like a seventies pakistani soldier the tv channels and websites program director are searching the general peoples sex organ . Influence of sex is expanding quickly by the digital revolution . Every body all over the world is dancing with the worthless commodity culture . To survive himself more cultural film director is making blue film to exhibition on the name of reality ; using the classical music in background . Nothing do saying my daughter ;about her mother's prostitute life story ; story of her aunt's rape & father's naked enquiry . I also can not saying anything . Hearing that Bangladesh freedom fight will be included in west Bengal school syllabus. Will be understand the true history of her for my daughter ? Caste & religion is also living beside the secularism in India. When eighty percent number is not sufficient to admit at medical collage for general caste student ; then sixty percent is enough for civil caste . Also now we are going into the partition . The fascist is doing fear for becoming bomb by the shadow of atom to micro atom . As much the brain of general people is becoming hypnosis ; for the fascist it will enjoyable for a comfortable sleep . Because ;revolution will do not come in future . In future we will be live as now ; but heart and brain will be not exist with us. We will not see the dream of liberty .

I am feeling cry . After lot of hesitation I can not telling everything to my daughter . Nerves of my body is becoming died . Hands, legs , head , everything is fail to work . Only one soul is now with me . Before becoming paralysis I want to say ; “ Mine have need liberty please give me death .”
