Stop, look and listen!

When you cross a road,

Always look left and right

If you want to reach your home safe and bright.

Stop, look and listen!

When you ride a Scooty or bike,

Always keep left, wear a helmet and don't go right

If you want to reach your home safe and bright.

Stop, look and listen!

When you drive a car,

Make sure you are above 18 years with a license;

Always use seat belt, avoid over speeding and fight,

If you want to reach your home safe and bright.

Stop, look and listen!

When you are on a Scooty, bike or in a car anytime

Always remember to move on during green light,

Because if you run the red

You could be badly injured or dead.

Stop, look and listen!

When you are on a Scooty, bike or in a car at night

Always remember to put on your light

If you want to reach your home safe and bright.
