## Descending Down To Reality

**Shyamal Roy**

Orbiting around,  
Have electrons stopped?  
Did protons neutrons  
Forgot great incantation  
Hibernating in lazy moods?  
Creation hides  
Under unfertile layers.  
Aren't new fairy-tales  
Composed in space!  
    Then.....?

Where are those solemn creation,  
Or celestial thoughts?  
Laws of physics  
Chemical combinations  
Life process.....  
Treading in right-way!  
Why are torned threads  
Scattered beads?  
Discord in forbearance,  
And unknown weeds!

Drama is composed  
Would be staged  
With causes and events packed.

Rainbow is formed  
Water particles fill the air,  
Sun beams from behind.

Beauties created,  
Rays scattered through crystals,  
Captive energy is released.

Sinking in a depth of darkness  
Can't measure, don't know,  
Tearing the bad dream.....  
A pain in the backbone!

Feeling thirsty  
Give me moisture,  
Suffocating  
Let me immerse  
In pure twilight air!
