The Way of Recognizing a Bride

Ujjal Mandal

Be cautious! be cautious!
Have you married? or would be wedded soon?
Look, before you leaping
Over the prickles lying into dust.
Female, who walks in coiling way
Into the width path,
It shows her bawdiness behaviour;
But who walks gingerly by degrees
Would be fate favoured in her blessings;
Whose laugh dropping all teeth ,
It shows her querulous intellect;
If body hair is circulated the whole
It represents her lasciviousness;
The forehead is breadth like ocean
That's mean would be widowed she soon;
There is no gaping
Into both eyebrows, means
Fate doesn't in favor of her.
Be cautious! be cautious!
Even if, While blubberig of the time,
No shading tears
Rolling across her face,
Would be impious in nature.
Look and seek such a female
Whose laugh shedding fountains,
Whose laugh shedding blooms,
Whose eyelids are spread
Like floating water lilies.
Have you married? or would be done soon?
Be cautious ! be cautious! be cautious!
