Hoping

Ujjal Mandal
M.A. Student,
Dept. of English,
University of Gour Banga.

Little sunbeams, little clouds and little raindrops,
Except all these, immobile creations;
Little laughs and little cries,
Where can be found the crowd of glads.
And all that I hope for__
A spring's arrival and shuttled birds,
Where lighted jovial reminiscence of mine;
A fairful dewy morning and gentle breezes
That make me feel afresh.
And all that I seek for__
A moonful night and twinkling stars
For plucking words into hearts;
A red rose and its sweet fragrance
For smearing with the whole;
And all that I quest for__
A mother's cares and her lullabies,
Where can be found the paradise;
And a blue sky, a width sky
To feel life with autumn's spry.
