## The Strands of Love

**Balkaran Singh Sidhu**

In her eyes tonight  
I saw so much love  
Anticipations, expectations  
Snoring from her mind  
  
Her smile whispers to me  
Her speech  
That accent of vast blue  
Swallowing my pride  
  
She is fire  
Like I am water  
We need each other to be relevant  
  
Your words taste like wine to me  
Time is a memory  
Of who we are  
What we have been  
  
There is no perfect tomorrow  
but a thousand perfect yesterdays  
we should rejoice, cackle  
for we have been tied together  
with the same strands of life.
