Sunday: A Day of Bliss

P. Dishu Gangwar

Research Scholar,

Department of English,

Govt. P. G. College Bisalpur (Pilibhit) UP.

In golden rays, a day to behold,
Sunday arrives with promises untold.
Whispering winds dance through the air,
As Sunday's serenade begins to declare.

A symphony of birdsong fills the skies,
Harmonizing with nature's lullabies,
Where gentle souls find solace and rest,
On this sacred day, divinely blessed.

The morning dew glistens on petals fair,
As colors bloom with tender care.
Flowers sway, their fragrances strong,
Filling the world with beauty's song.

The world awakens in tranquil embrace,
Life's burdens temporarily erased.
A respite granted from the hustle and strife,
Sunday breathes hope back into life.

Garden paths beckon with every stride,
Leading to places where dreams reside.
Stress subsides, worries slowly release,

As Sunday unfolds in serene peace.

Laughter echoes as loved ones gather close,

Sharing stories and love, they toast.

Joyful moments etched in memories deep,

For in unity, Sunday's secrets seep.

A quiet refuge for reflection and grace,

Where souls commune, finding their own space.

Within these hours of tranquility,

We rediscover our inner nobility.

Sunday's serenade paints the world anew,

Reviving hearts, bringing spirits in view.

A melody of gratitude and sheer bliss,

Sunday delivers a divine kiss.
